MASSAGETABLERENTALS.COM WEBSITE LAUNCHES

Ishman BodyCare Center Inc. announces the launch of its new website MassageTableRentals.com to serve the massage and spa equipment rental and purchasing markets. As the #1 provider of massage and spa equipment rentals and purchasing nationwide, this new site offers information about fast, professional equipment services for therapy, athletic training, medical and fitness professionals. Recent customers include Saks Fifth Avenue in Manhattan, NY, the CARE Foundation, the Foundation for Human Enrichment, and Glenbard North and Lincolnwood Schools.

With over 40 years of experience in massage and transportation, MassageTableRentals.com is run by Ishman BodyCare Center Inc. president Allison Ishman, and her logistics expert, partner and husband, John Blanchard. "I'm impressed with the response we've had already to our online format", states Ishman. "Within 6 hours of putting up an online reservations form, we were already providing custom email estimates, researching new supplies to add, and finalizing rental and sale agreements."

Ishman BodyCare Center and MassageTableRentals.com are authorized Oakworks dealers, focusing on quality, eco-friendly professional massage, athletic training, and medical tables and accessories. As area representative for several local massage programs, sales representative Molly O'Connor goes on-site to help students select their equipment at National University of Health Sciences in Lombard, Northwestern Business College in Naperville, Burr Ridge and Wilmette, the Soma Institute in Chicago, and Harper College in Palatine. "I enjoy working with the students and helping them get a good start" says O'Connor.

MassageTableRentals.com is also partnering with another growing business in Naperville. Memor' Spa in Naperville is now franchising nationwide, and plans to rely on MassageTableRentals.com services for selecting equipment for more than 50 spas across the world. Owner Barb Campbell comments that this is "the way to go, in working with MassageTableRentals.com".
